

The following are CVP graphs (FORCE-VELOCITY) for three (3) different gaps sizes;
 The STD shock is “-20” (VIOLET). Two STIFFER ones are: “-10” (GREEN) & “-07” (BLUE)
 All Controller “settings” are configured for Max REB & Min COMP damping.

2-16-2010

Following is a TIME-FORCE chart: (NOTE: the small GREEN “spike” represents about .025 second).
